

EMERGENCY SERVICES CLINICIAN

Goochland Powhatan Community Services is seeking 1 Full-Time ES Clinician. GPCS has 2 clinics located in Goochland and Powhatan counties which are open Monday- Friday 8am-4:30p.

This position has a great opportunity for those who like a variety of work. We are a small but mighty team. Our ES clinicians don't have any on-call, evenings, or weekend duties. Responsibilities include crisis intervention services, pre-admission screening evaluations for hospitalization, crisis counseling, and providing information and referrals. While our volume is lower than our neighboring CSBs, we have plenty of unit tasks to keep us busy. We provide hospital liaison services, assist with Same Day Access assessments, and carry a small outpatient therapy caseload. This position allows for the best of both worlds, helping solve immediate needs and having opportunities to provide longer-term services.

We are seeking someone with experience working with individuals with mental health, substance use, and/or developmental disability. Clinical skills required include risk assessment, safety planning and crisis intervention. Other skills and abilities include managing stressful working environments, interfacing with multiple behavioral health partners including first responders, and working independently as well as fitting into a team office setting. Services are provided primarily in the office, but also occur in the community. We currently use Credible for our EHR, as well as Microsoft office suite. Master's degree in human services field and License or License Eligible required. Certified Prescreener highly preferred.

GPCS offers an excellent benefits package, including an option for free insurance for the employee and participation in the Virginia Retirement System.

Salary range is negotiable based on prescreener certification and experience starts at \$63,000 for license eligible and \$70,000 for licensed.

Position description, and application submission guidelines can be found at www.gpcsb.org/employment

Completed GPCS applications must be received for consideration. A fillable application can be found at <https://gpcsb.org/wp-content/uploads/2020/12/GPCS-Employment-Application.pdf>

Closes 11/27/2024. EOE.
